REPORT NO.

1. The first order of the day is still the collection of signatures for the peace campaign because it is absolutely necessary that we attain our objective with the least possible delay. In the Kclunkovac and Servola sections the main problem remains that of gathering the lists in the different city districts to learn where weak points exist. In the St. Anna district the entire program must be strengthened.
2. The month to be dedicated to the press is approaching and plans covering this period must be turned in as soon as possible by order of the Agit-prop central commission. Public festivals should be organized although it must be kept in mind that a profit should be derived from them.
3. On Sunday, 3 September 1950, a commemoration will be held for the martyrs of Masovizza who were killed by the Germans. The Party secretariat attaches the greatest importance to this commemoration. It is requested that no public gatherings be scheduled before 7 p.m. on Sunday to avoid infringing on the commemoration exercises.
4. On 3 September at 7:30 p.m. an important meeting will be held of all section committees to discuss vital organizational matters which already have been treated in the sections.
5. The question of the unions must be solved but the entire matter has been extended for another three months.
